## Experience

### UFHealth Shands Children's Hospital / Monitor Support Tech

October 2021 - PRESENT, Gainesville, Florida

I interpreted heart rhythms and notified nurses and physicians of anything abnormal, made patient charts, broke down patient charts and assisted in patient care.

### UFHealth Shands Children's Hospital / Patient Care Assistant

September 2016 - October 2021, Gainesville, Florida

Took patient's vitals, helped set up rooms, break down rooms, recorded intake and output, assisted the nurse with patient care.

### Lake City Chiropractor and Massage Therapy / Massage Therapist

April 2021 - October, 2021, Lake City, Florida

Performed deep tissue massage therapy on injuries relating to tissues and motor vehicle accidents. I performed extensive massage therapy and stretching with patients after accidents and vets.

---

## Education

---

### University of Central Florida / Certificate

April 2022 - September 2022, Orlando, Florida

Learned to be a fullstack developer-HTML, CSS, Javascript, node, express, web APIs, Third party APIs, Server sides APIs, Object Oriented Programming, SQL, MYSQL, Model-View-Controller. Regex, NOSQL, REACT, MERN, State.

### Florida School of Massage / Certificate
